

Sandy Creek Park, Emory, TX  
May 9, 2020

This is the third year for the Wine Between the Lakes, Wine and Music Festival. We are sure that it will be a signature event that will continue for years to come. The Wine Between the Lakes, will feature only the best of Texas Wines from around the state, select vendors and music from area entertainers. Our plans for the festival will be to bring together socially-minded individuals and wine lovers and those that want to enjoy a fun filled day of festivities.

Our goal this year is to raise money for the Rains County Chamber of Commerce Scholarship Fund. All the money raised will go to support this organization and help the youth of our community.

We have several options for Corporate and Individual Sponsorship.  
Sponsorships can be in the form of financial support or in-kind contribution of equivalent value.  
See reverse for explanation & benefits of sponsorship levels.
